

REQUEST FOR PROPOSAL

General Rate Application Support Qulliq Energy Corporation Iqaluit, NU

TENDER NO. 200930

Tenders will be accepted at the offices of the Qulliq Energy Corporation, PO Box 250, Iqaluit, NU, X0A 0H0, until 4:00 p.m. eastern standard time on Friday, July 10th, 2009.

The Qulliq Energy Corporation (QEC) requires the services of a consulting firm to assist with the preparation of its 2010/11 General Rate Application (GRA) for filing with the URRC in early 2010. Reporting to the Regulatory Analyst, the consultant will assist QEC as necessary to meet two major objectives:

1. Assist the utility in preparation of the documentation for the Phase I of the 2010/11 GRA, suitable for filing with the URRC. The role of the firm is to complement the resources QEC is able to make available internally, and provide specific expertise in preparing GRA filing.
2. Work with QEC to develop templates, procedures and resources to enable QEC to produce GRA related materials in a professional and integrated format as required.

QEC anticipates a requirement for services relates to quantitative analysis, document drafting and compilation, as well as overall senior strategic advice in relation to the filing.

Experience working with Northern utilities with operations that comprise completely of isolated diesel systems will be considered an asset.

For the purposes of this tender call the provisions of the Nunavummi Nangminiaqatunik Ikajuuti (NNI Policy) apply.

Tender Documents will be available Monday, June 29, 2009. Please fax or email request for documents to:

Fax and email tender responses will be accepted.
